Welcome:

Mr. Olsen called the meeting to order and welcomed those present.

Minutes:

Minutes of meeting held March 8, 1982 were read by Mrs. Duke. Mrs. Probst made a motion minutes be approved as read. Mrs. Murdock seconded motion. Motion carried.

Field Drains:

Mr. Wright submitted a letter written to septic tank installers in the county. (See copy #1).

Home Health Care:

Mr. Wright also submitted a copy of a report from Senator Hatch regarding a bill for Home Health Care. (See copy #2).

Glenwood Village Development:

Mr. Wright reported that Glenwood Village Development is having a problem securing an easement around their spring. They are asking for an exemption from the state. We will keep abreast of this problem.

Heber City Water:

Heber City has applied to the State Health Department for permission to use their old water storage tank. It will be cleaned and sanitized before use and will give Heber City more storage capacity.

Strawberry:

Mr. Wright submitted a letter to Mr. Noyes of the Bureau of Reclamation concerning disposal of septic tanks in the Strawberry Area. (See copy #3). It was suggested we contact Steve Jenkins in locating tanks in Strawberry for final inspection.

TCMHC:

Mrs. Murdock reported the Timpanogos Community Mental Health Center have agreed to send one man to Wasatch and Summit County this year and perhaps next year they can send one man per county. She also reported her term of office on the TCMHC Advisory Board is over next month. As she will be going back to school, she would like to be replaced. The board was asked to submit 3 names to the commissioners so they can fill her vacancy as soon as possible.

Application For Sewage Discharge:	The sewer district has applied for a discharge permit in case the lagoons are not able to handle all excess water. This application was approved. The water will be clean when dumped into the creek.
LDS Building Usage:	Mr. Wright submitted a letter from the LDS Church regarding the use of their buildings. (See copy #4).
Auditors:	Mr. Wright stated the state auditors have been auditing our department the past week. They will send us a report later.
Wallsburg Sewage:	Mr. Wright showed slides of some sewage problems in Wallsburg. He stated they are cooperating and making some improvements as rapidly as they can. He will follow up on this project. Dr. Green complimented Mr. Wright for his diligent work on this project.
Red Salmon Recall:	A recall of Red Salmon has been issued and the State Health Department is taking care of this matter.
Food Survey:	A Food Survey will be done in our county by a sanitarian from Uintah County the week of May 4th. Mr. Wright will survey Utah County the week of May 10th.
Local Health Dept. Reg:	Mr. Wright stated they are still working on the Local Health Department Regulations.
City-County Agreement:	Mr. Wright reported Heber City and Soldier Summit have not signed the new City-County Health Agreement.
Birthing Centers:	Mr. Wright submitted a news release concerning Birthing Centers. (See copy #5).
Edwards Mobil Home Park:	Mr. Wright stated a Mobil Home Park is being planned for the Charleston Area.
Immunization Clinics:	Mrs. McAfee reported we have had poor response to our Immunization Clinics held in the schools. She asked for suggestions as to how many clinics should be held during the summer to help get all school children immunized. After some discussion Mrs. Murdock made a motion we hold one clinic per week until the end of May. Dr. Green seconded motion. Motion carried.

VD/Counseling
Interviewing:

Mrs. McAfee stated she had attended a work shop regarding VD/Counseling and Interviewing. It was very well presented and very helpful. She stated they suggested that doctors do a culture on all PID. After some discussion Mrs. Murdock made a motion a letter from the Board of Health be sent to physicians in the county suggesting they do a culture on all PID patients. Mrs. Probst seconded motion. Motion carried. Dr. Green will present this to the doctors at staff meeting.

Next Meeting:

The next meeting was scheduled for Monday, May 17th at 12:00 noon in the Commission Chambers.

Meeting was adjourned at 1:40 P.M.

Chairman
